NAMMA (OUR) MADURAI

Madurai is the second largest city in Tamil Nadu and one of the <http://goindia.about.com/od/tamilnadu/tp/tp-tamilnadu-attractions> state's top destinations, is more than 3,500 years old and a major center for Tamil culture and learning. The city is often referred to as the "Athens of the East" because of its similar architectural style, including many alleyways. During the heyday of its history, when the Nayak dynasty ruled, many magnificent temples and buildings were constructed. These days, Madurai attracts pilgrims and tourists in equal numbers. The entire city of Madurai, is built around the Meenakshi Sundareswarar Temple – the temple par excellence. It is called as Thoonga Nagaram that means a City that never Sleeps. Madurai is surrounded by several mountains. The Madurai city has 3 hills as its city boundary. Yanaimalai, Nagamalai, Pasumalai named after Elephant, Snake and Cow respectively. It is famous for Jasmine Flowers. Jasmine flowers are transported to other cities of India from Madurai.

GREETINGS FROM THE KILAKARAI CHAPTER

With great pleasure, Kilakarai Chapter of Indian Dietetic Association invites you to the International Conference on Food, Nutrition and Health from 6th to 8th June, 2016 at Fortune Pandiyan Hotel, Madurai.

FROM THE DESK OF ORGANIZING COMMITTEE

Indian Dietetic Association, Kilakarai Chapter was inaugurated on 4th December, 2003 by Dr. Sumayaa HOD, Department of Home Science, Thassim Beevi Abdul Kader College for Women, Kilakarai / and Founder President of Kilakarai IDA. Prof. Dr. Vasantha Ester Rani was elected as President during the year 2009 – 2014. Dr.S.Sumayaa, Professor & Head was reelected during 2014 as president of IDA, Kilakarai Chapter. There are totally 89 Life Members and 100 Student Members in Our Chapter. Every year we are celebrating Dietetics Day, Breast Feeding Week, Nutrition Week and Diabetes Day in their respective dates in collaboration with ICDS – Thirupullani Block, Govt. Hospital – Ramanathapuram and Kilakarai. To commemorate these special days we conduct various competitions for the students, faculty members and public. This year we are organizing an international conference with the theme:

FOOD AND HEALTH FOR EVERYBODY, EVERYWHERE

Food is Medicine that makes a positive impact on our health. The scenario of Globe is polished with quick – cooking foods, takeaways, packaged foods, genetically modified foods, etc. which bring many health disorders like obesity, hypertension, cancer and other chronic diseases that shrink the quality and life span of human being. Therefore, knowledge translation relating to food and health for everybody, everywhere is crucial for quality living.

THE CONFERENCE

The Conference focuses on various aspects of world's food chain from production to consumption and their impact on health and wellbeing. Specialists in Food, Nutrition, Dietetics, Health, Allied Health and other Stakeholders of health care such as industries, hospitals, NGOs will be sharing and translating knowledge around the theme of the conference.
