

About the seminar

The Department of Chemistry and Botany cordially invite you to attend the National Seminar, to be held at the Govt. Kavyopadhyay Hiralal College, Abhanpur, Raipur on 16th -17th January, 2018. The purpose of the seminar is to provide a platform for the teachers and students to participate and share their ideas on environmental issues.

Environment is our soul for living. It is the sum of biotic and abiotic components. Eco-sufficiency is associated with the sober life style adopted by people. WHO report states that Raipur, the capital of Chhattisgarh is one of the most polluted cities in India and comes under top 20 polluted cities in the world. If proper steps are not taken, it can even top the list. Most polluted cities in Chhattisgarh are Raipur, Bilai, Bilaspur Raigarh, Korba.

Biodiversity is the diversity of life on Earth. The Chhattisgarh state is considered to be rich in plant biodiversity. However the plant biodiversity of the state is under severe threat due to climate change heavy pollution load from industries and run off from agricultural fields. For instance about 645 medicinal plants are present in the state. Studies conducted by medicinal plant experts in this region have identified 31 species to be on the verge of extinction, 96 species as endangered and 70 species are precious in this state.

Keeping these facts in mind it has been decided to conduct a two days seminar on "Environmental Conservation and Sustainable Development in Chhattisgarh".

Local theme: Air Pollution condition and loss of biodiversity in Raipur.

Subtheme 1

Pollution: Air, water, soil, noise Waste Management:
Global Warming
Green fuel: A need for sustainable development
A Management of industrial and domestic waste

Subtheme 2

Deforestation and its effect in CG
Soil erosion and desertification
Organic farming: Use of bio pesticides, bio fertilisers
Biodiversity changes in CG and its consequences

The College

Govt. Kavyopadhyay Hiralal College, Abhanpur, Raipur is the upcoming college near to the Naya Raipur region. The College was started in the year 1989. It is 30 km from Raipur and is located 2 km from Abhanpur bus stand at Rajim-Gariaband road. The nearby tourist places are Rajeevlochan Mandir, Rajim; Ghatarani and Jatmai temple and water fall, Champaran teerth the birth place of Swami Vallabhacharya etc.

Registration Fee

Delegates (Industry): INR 1000
Delegates (Academic): INR 800
Research Scholar: INR 500
Student: INR 300

* The registration fee can be paid in the form of DD issued in the favor of * Principal, Govt. K.H. College, Abhanpur, Raipur*.

Important Dates:

Last Date of abstract submission: 5th Dec 2017
Confirmation of abstract acceptance: 10th Dec 2017
Last Date of payment of registration fee: 10th Dec 2017

Call for Papers

The full length papers are invited for the publication in UGC approved journal with ISBN no. The word limit should not exceeding 3000 words, the paper should be written in MS word Times New Roman 14 fonts 1.5 spacing, title 14 fonts Bold (centered), presenting author should be underlined, with the name of affiliating institute, email-id.

Abstract should be written within 250 words in MS word Times New Roman 12 fonts, 1.5 spacing, title 12 fonts Bold (centered), presenting author should be underlined, with the name of affiliating institute, email-id

and mobile numbers. The soft copy of full paper/abstract should be submitted on or before 5th December 2017 to the following:
