Organised at : Universal Group of Institutions  
Chandigarh - Ambala Highway, Lalru, Punjab - 140501

## About GMREA

The Globally Multidisciplinary Research and Education Association (GMREA) is a Haryana Government registered Association under Haryana Registration and Regulation of societies Act, 2012. It is a common platform for researchers and professors to publish their research papers in UGC approved journal and SCOPUS journal. GMREA is one such single window facility where journals are reviewed and checked from different branches of knowledge. It is an emerging international stage where all the research papers published in different scholarly journal and conferences may be accessed, simultaneously at the same time. GMREA also conducts international conferences, management development programmes and other events to enhance knowledge, skills, and the personal development of participants.

## About SEMAM 2K19 International Conference

SEMAM 2K19 aims to provide opportunities for academicians from wide range of disciplines and countries to share their research both through the conference and publications. It aims at providing opportunities for academicians to receive informal in-depth feedback through discussions and to enable them to establish contact with professionals in other countries and institutions.
