National Conference on Health Communication

July 14, 2019

Organized by

**Department of Humanities and Social
Sciences**

**National Institute of Technology
Raipur-492010 (Chhattisgarh)**

About the Institute:

National Institute of Technology, Raipur situated in the capital of Chhattisgarh, has proven to be 'avant-garde' in the field of science and technology over the past few decades in this region. The foundation-laying ceremony was presided by the first President of India, Hon'ble Dr. Rajendra Prasad on September 14, 1956. Initially, the institute started with two departments namely Metallurgical and Mining Engineering. The institute later expanded with the inauguration of the campus building by the late Prime Minister, Hon'ble Pt. Jawahar Lal Nehru on March 14, 1963. It was on December 1, 2005 that it was distinguished as the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 kms from the Raipur railways station and 18 kms from airport on NH-6, the Great Eastern Road.

About the Department:

The Department of Humanities and Social Sciences is dedicated to providing a well rounded education by offering insights into the different facets of human experience. It prepares the students with a set of skills that are suitable for a broad range of professional fields such as entrepreneurship, innovation, communication, sociology, linguistics, literature, yoga.

Venue:

Department of Humanities and Social Sciences, National Institute of Technology, G.E. Road, Raipur-492010, (C.G.), India.

Objectives and Scope:

National Conference on Health Communication shall provide an interdisciplinary platform to leading academicians, researchers, scholars,

counselors for the presentation of new advances and research findings in the field of Health Communication. This conference shall emphasize on local knowledge and beliefs in understanding and improving health and health communication systems.

The conference is open to scholars, researchers, academics and health experts who are making outstanding contributions in the field of health and communication. The one day schedule will include lectures, paper and poster presentations.

Conference Themes:

- Health and people's social context
- Societal inequalities, stigmatization and health communication
- Health communication and digital divide
- Actors/agency (doctors, patients) and health
- Health and interpersonal communication
- Health communication and media
- CSR and public health
- Equity issues in public health
- Ethics and ethical issues
- Health behavior change
- Information technology and public health
- Health policy and research
- Public health education and promotion
- NGOs and public health
- Shared decision making
- Barriers, breakthroughs and best practices

Abstract Submission Guideline: Submit your abstract (250 words) to yvbabu.eng@nitrr.ac.in. Please send an informative abstract in English along with a brief biography of the author. Acceptance for paper presentation shall be decided by the review committee within three working days of receiving the abstract.

Targeted Participants:

- Academics
- Health experts/educators/administrators
- Students and research scholars
